Discover haut'thenticity

The HAUT'THENTIC champagne stands out for its blend. Fruity Pinot Meunier accounts for 75% and brings lots of body to the wine. It is pale yellow with a very fine bead and an indulgent aroma with mirabelle plum and vine peach notes.

It has a full-bodied and creamy mouthfeel with a slight tang. It starts off crisp yet rich with white fruit aromas. BEST SERVED AS A PRE-DINNER DRINK.
